

FOR IMMEDIATE RELEASE

Indianlife launches vegetarian/vegan sauces for foodservice, Signature Spice line, green chutneys, entrees and more at CHFA West Booth 1155.

Burnaby, British Columbia: The company that took Indian cuisine "out of the ethnic aisle" and into mainstream grocery -- North America's largest manufacturer of all natural, Non-GMO Project verified and organic Indian-inspired cuisine -- debuts exciting retail and foodservice items at Booth 1155 at CHFA West in beautiful Vancouver, BC! Indianlife offers a full line of products that enable anyone, from home cooks to professional chefs, to create gourmet meals in minutes.

Booth visitors can enjoy new trends plus award-winning Indianlife pakoras and samosas. Entrees being sampled are Bombay, Garbanzo, Shahi Paneer and Mattar Paneer. Booth visitors can sample new chutneys, their delicious chips and Indianlife's popular snack mixes. Indianlife is Non-GMO Project Verified. All products are vegan/vegetarian and made with the freshest ingredients. Many include Certified Organic ingredients, and the company offers a selection of Certified Organic products including Organic Whole Wheat Naan. Their famous oversized wraps are chef favorites, available in a wide range of colors and flavors. Most Indianlife products contain no preservatives, trans fats, artificial colors, flavors or MSG.

New and exciting for 2019:

Indianlife's Famous Sauces in Foodservice Sizes: Indianlife's famous all natural, authentic Indian Sauces in a one-gallon foodservice size. 5 incredible flavors including vegan options – each would take many hours to prepare from scratch. Busy chefs and professional cooks will love these sauces for their freshness, taste, and convenience!

Non-GMO Project Verified Chips: High in flavor and healthful Indian seasonings, taste the newest in a full "Non-Potato" Chip line that's receiving rave reviews and has been described as "A Taste of Southeast Asia in a Chip Bag" by Toronto Sun Food Editor Rita Demontis.

"Restaurant-style" Green Chutneys: Three new Chutneys join Indianlife's popular Tamarind and Mango flavors: "Restaurant-style" Mint, Cilantro and Cilantro-Mint. Indianlife chutneys are traditionally slow-simmered from beloved family recipes. Serve alongside other dishes; integrate them into recipes and more!

Indianlife Signature Spices: Indianlife's long-awaited line of Signature Spices includes traditional Chai Masala for simmering homemade chai beverage, and their best-loved "masalas" (spice blends) to create authentic gourmet Indian favorites in minutes! Indianlife's fresh, aromatic spices are traditionally ground from family recipes and are available in retail and wholesale/foodservice sizes.
